Dear Dr. Burleigh, - Today I received information from Toronto re George Hearn, my paternal grandfather, which I felt I should send you, so that you could correct page 2 of my letter to you of April 13/70.

this George is my grandfather. I have written to Clarence Hearn, Cannifton, Ontario - b. Mar 1, 1901 again, asking him how old his father was when he died etc. Clarence is the issue of George Hearn and II wife Sarah Canniff.

1.

The late Frank Hems was born at Thurlow, Hastings County, Ontario. He attended Public School at Thurlow and Carnation and High School at Belleville.

Mr Hems began his career as cheesemaker at Shannonville, Ontario in 1890. From there he went to the Gore Factory in the Huntingdon, Quebec district, in 1892 working there until 1899. While at this factory he attended the St. Hyacinthe Dairy School in 1897.

He then went to the Fullockgarrow factory, also in the Huntingdon district in 1897 and during 1901 and 1902 worked at this factory in summer and had charge of the milk testing at the Strathroy Dairy School (Middlesex Co.) in winter.

In 1902 he married Miss Annette Gonsolus of Belleville and took her to Oromocto, Quebec during the summer months while the factory was operating.

In 1903 the group system of Dairy Instruction was introduced throughout the Province of Ontario, under the authority of the Dairywomen's Association and Mr Hems was appointed Dairy Instructor for the Stratford and Woodstock Group of factories.

He worked at this in the spring, summer and fall months and at the Strathroy Dairy School in winter until 1907 when he was appointed Chief Dairy Instructor.

2

for Western Ontario, and also Secretary - Treasurer of the Dairy men's Association of Western Ontario, which position he held until his death on July 9, 1941

A great deal of the improvement in the Industry can be credited to Frank Hems. - septic tanks, pasteurized whey, cold storages, improved quality of cheese for export to the British markets, factory cleanliness and patron's herd contests

Mr. Hems took his work very seriously, studied out all problems very thoroughly before making any statements, was a good student, a great reader, possessed a wonderfully good memory, an excellent teacher and speaker, and was thoroughly conversant with all Dairy laws and regulations of the Province and of the Dominion.

In speaking of Frank Hems, the Honourable S. M. Deewan, said, -

' Frank Hems devoted well over thirty years of his life to the improvement of the dairy Industry. It is probably not too much to say that he, in particular, made solid the foundations of the Cheddar Cheese Industry in the Western Section of this Province. He was a man among men. He had an affable manner and a silent convincing way which made him at all times an acceptable counsellor. He left his indelible imprint, his name and his work will long be remembered "

' This is a part of a citation to my father. Jan. 1942 after his death in July 1941 - ' Clara Bell Morris.

April 13, 1970

Dear Dr. Burling, - Thank you for your letter of April 8 in answer to mine of March 12 which was addressed to The Kingston Historical Society. Mr. & J. Flynn had written that he had forwarded my letter to you. You probably may not recall that when I first began my research on the Gunsolus family in 1964, I visited you and also Mr. Maurice Young, while I was in your area while visiting my cousin Foster Gunsolus and his son Raymond Gunsolus of Belleville. At that time I knew so very little about the subject but I did copy some poignant facts from your file and also copied from The McDowall Baptismal records loaned to me by Mr. Young, many interesting births marriages & deaths.

Since then I have worked at the Toronto and Ottawa Archives, attended the World Conference on Records at Salt Lake City last August where I read many microfilmed records and took Xeroxed copies from Library Histories of New York; have had much satisfaction in correspondence with Dr. John M. Gunsolus of Stuart Florida (my husband visited him personally last spring) and have corresponded in keams of letters with Gunsolus descendants.

Mrs. J. M. Allen at Belwood knows very little really factual information.

I have corresponded with Mrs Robert Kirk and Mrs Wanamaker. I think I have proved to her that the names Gunsolus, Gunsaulus, Consaul, Consaulus are of the same origin.

Your suggestion that I write to the Synod Office, Anglican Church, Kingston, Ont. for church records

of the Bath, Fredericksburgh areas is a sound one and I shall follow it.

As to knowing where Joseph & Nancy Gunsolus' children were baptised is a puzzle, because neither the Langhorn or McDowall records show anything but the marriages of Joseph & Nancy & Cornelius & Isabella.

The family bible would surely be a jewel to locate but I havent a clue where it even might be.

Now you asked about my father's name Hearn. My father was Frank Rueben Hearn, son of George Hearn (as he spelled it) and his 1st wife Christine Wagner. Father was their only child, born Dec 17, 1872, Thurlow.

George Hearn, remained after the death of his 1st wife. The 2nd wife was Sarah ^{Elsa} Canniff in 1900. She was born Aug 13, 1863. and died age 77 in 1940. She was a daughter of John Wick Canniff. (I dont know where he fits into the Canniffs of Cannifton) but he built a house in the village and it was here that George Hearn and Sara spent their last days. They had a son named Clarence Hearn, born March 1, 1901 who is still living in that house. It is small and run down by our standards and Clarence Hearn did not educate himself as did my father.

Father spent some years at Dairy School at St. Hyacinthe, Quebec, made cheese, taught at the school, married Annette Gunsolus at Belleville Apr 10, 1902 and in 1907 began his life time work as Chief Dairy Instructor for Western Ontario and Sec. Treas. of the Dairymen's Association of Western Ontario. He died in office July 8, 1941

in London Ontario where he had resided since 1907.

Whether he is a descendant of the Harns of Fredericksburgh U E Ls from New York, I haven't worked out. He talked very little about his relatives and I didn't know their history.

I copied the births, baptisms, weddings & witnesses to weddings involving the Harns, Harns, as recorded by Rev Langhorn of Fredericksburgh area.

I have Xeroxed copies from Salt Lake City of Harns: Gilbert, Isaac, Josiah, Johnston, Thomas - Soldiers in the Kings Rangers. 1784-6.

Have also copied land abstracts of Harns in Ernestown, Fredericksburgh, Sidney, Ameliasburgh, ^{Sophias} Fredericksburgh.

In the Census of 1851 for Richmond Twp. Hastings County I found. -

These facts have not been followed thro' by myself. I have just copied them for you because of the interest you expressed in the Hems name. You may have these already.

Because of the similarities in given names in the family of T.P. or T.F. (difficult to decipher) to those of earlier generations it would seem that my father did descend from the Hems or Harns or Hearn's who came from New York as U.E.Ls.

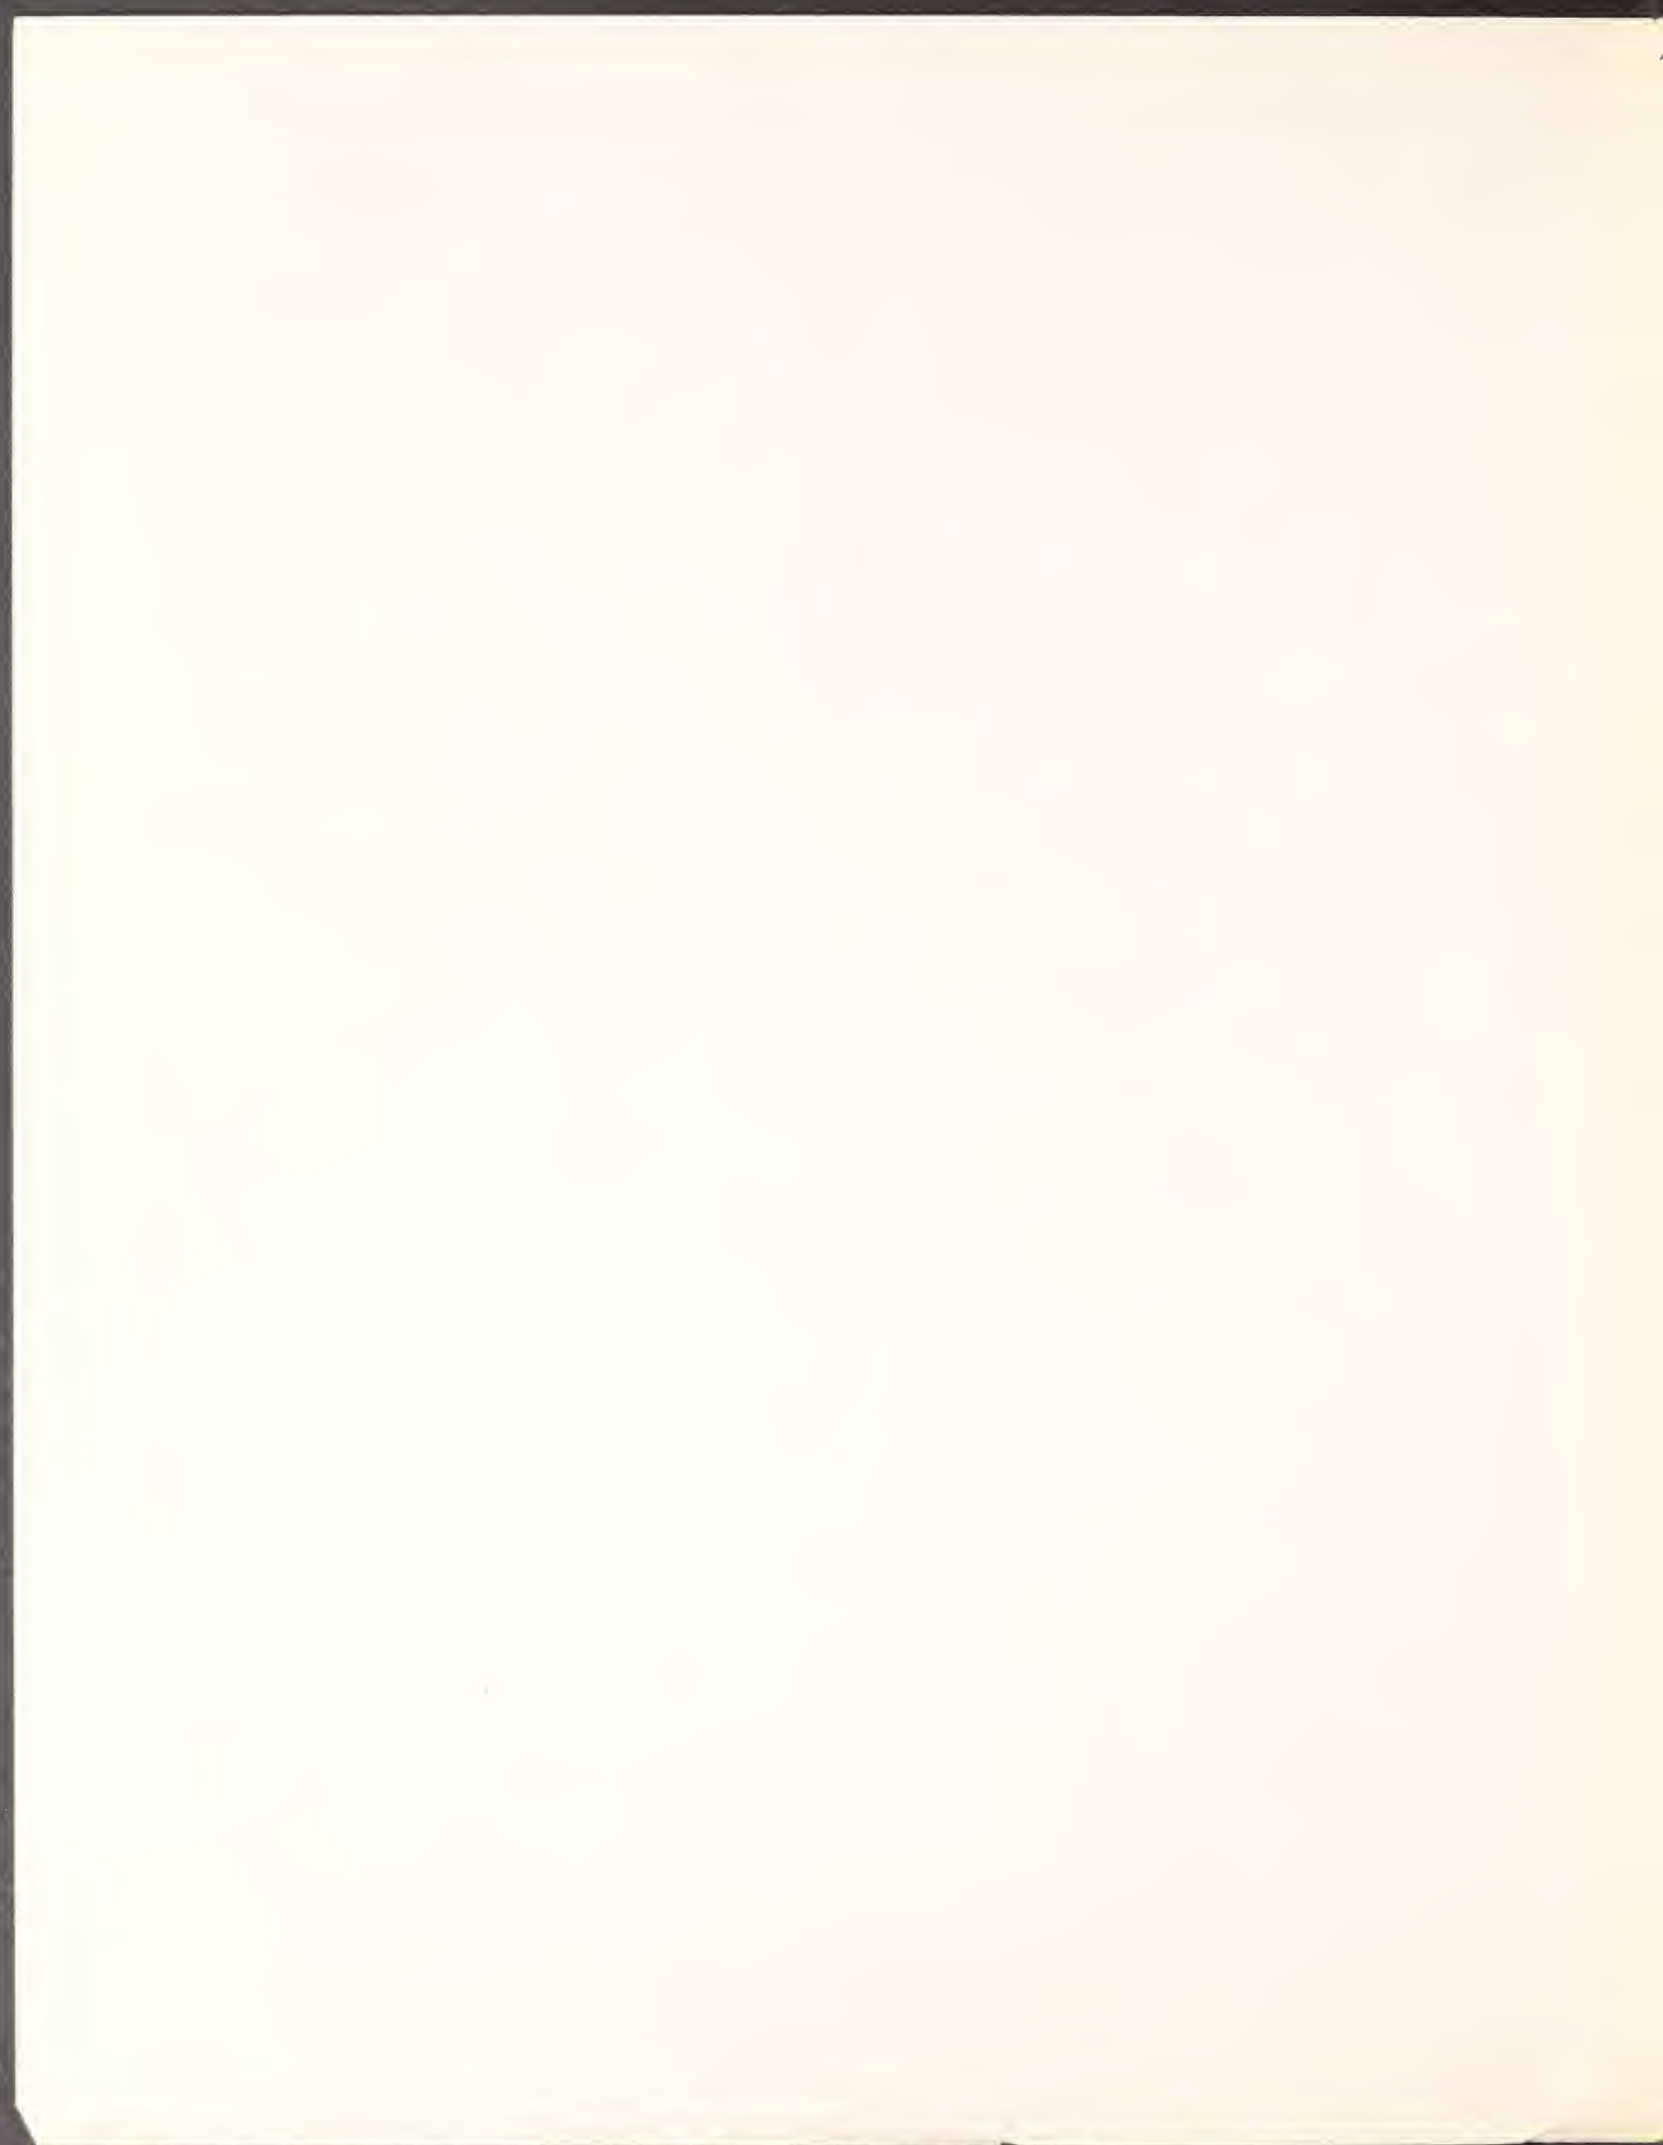

However Clarence, father's half-brother, told me he thought his father George Hems came from Ireland.

I certainly would be interested in your comments as my father was a very fine & wonderful man - a self-made man and greatly respected in the Dairy Industry

Dear Sirs

I am trying to locate some of my ancestors and wonder perhaps if you can help me. You may have such information as local history, newspaper clippings, census records, land records, emigration records or vital statistics that might mention the names of COLE, HEARNS, BOLTON or PAGE

Here is what I know about the people I am trying to locate

1. My great-grandfather JAMES COLE and his wife MARY JANE BOLTON reared at least three children in Napanee, Ontario. They were

(1) HIRAM JAMES COLE born 20 Mar 1845, (2) APPLETON JONES COLE born 29 Mar 1847 and (3) LYMAN COLE birth date unknown.

2. My other great-grandfather THOMAS HEARNS and his wife MISS PAGE reared at least three children in Napanee, Ontario. They were

(1) SARAH JANE HEARNS born 12 Sept 1845 (or 1855) (2) JAMES HEARNS birth date unknown and (3) JOHN HEARNS birth date unknown

3. HIRAM JAMES COLE married SARAH JANE HEARNS IN 1866 and moved to Chatham, Ontario.

Here is what I would like to know:

1. Can you tell me if THOMAS HEARNS and his wife MISS PAGE OR JAMES COLE and his wife MARY JANE BOLTON passed away in Napanee or can you tell me the names of any Funeral Homes in or near Napanee?

2. Is there any mention of the parents, brothers or sisters of THOMAS HEARNS, his wife Miss PAGE, JAMES COLE or his wife MARY JANE BOLTON in the Napanee records.

3. Is there mention of any people named COLE HEARNS BOLTON or PAGE in any Napanee records.

Hoping you might help me and thanking you kindly

I remain

Sincerely yours

Mr. Wallace R. Swanson,
5729 27th Ave., N. E.,
Seattle 5, Wash., U. S. A.

Dear Mr. Swanson:

Your letter of sept. 5th last, addressed to the Napanee Public Library, Napanee, Ont., was passed on to the Lennox and Addington Historical Society. The Society, in turn, passed it on to me for reply. This was done because neither of these organizations have the opportunity or time to spend delving into records, and also because it has been my hobby for the past thirty years to collect information regarding our early families. At present I have about 700 individual files on these families. Many of them are incomplete, mainly because I have been more interested in the first two or three generations in Ontario.

I have looked through these files--Hearns and Cole--and am unable to furnish you with anything definite. There were two Thomas Hearns--one living in Richmond township (where Napanee is located) and another in Ernesttown Township (adjacent to Napanee) in a directory of 1865. Either of these could be your man. However, further work would have to be done to make a decision, which means an outlay of funds. I speak of search of the land books in the Registry Office, Napanee, and check through the census records for the years 1851 and 1861. There might also be cemetery records. I have made a copy of most such records in this part of the country, but cannot find any record. These might also be searched--I mean in Napanee, which is 15 miles from here.

As I have said before, I have a good deal of information about the earlier Hearns, if you wish it. It covers three generations and covers the period from the commencement of the Revolutionary War to about 1835, and would be very valuable if you could prove the connection between it and your Thomas. I have the same for the Coles, but not for the Boltons and Pages. All this information will have to be sorted and copied, and will amount to three or four pages. If you wish them, I can have them prepared at ten dollars each. Also, if you are prepared to pay moderately, I am sure that I can identify your two great grandfathers and can tie them in with the Loyalist families of those names.

Yours sincerely

H. C. Burleigh.

Dear Dr. Burleigh

You may recall that, about a year or so ago, you wrote to me saying that you had some genealogical information on my ancestors. I am speaking of Thomas Hearn's who lived in the vicinity of Napanee, Ontario during the period of approx. 1840 to 1875.

I am interested in obtaining whatever information you may have on the Hearn's family. I believe that you mentioned that for \$10.00 you could prepare for me the information about this family.

Perhaps it would be well for me to give you all the info that I already have on the family.

First, I have enclosed a lineage chart showing how I am related to the Hearn's Family. Included are the birthdates, birthplaces, dates of death and place of death of each person in the line.

Secondly, here is what I know about Thomas Hearn's. I might mention that there may have been two Thomas Hearn's listed in the Napanee Directory of 1865. Whether either or both of these men were my ancestor is not known by me. However, Thomas Hearn's married a Miss Page about 1835 or so. At least three children were born of this marriage during the years of 1840 to 1855 approx. They were (1) Sarah Jane Hearn's (2) John Hearn's and (3) James Hearn's. Sarah Jane was born 12 Sept 1845 (some records say 1855 but I doubt it as her first child was born Mar 16 1867.) I do not know anything about John or James Hearn's

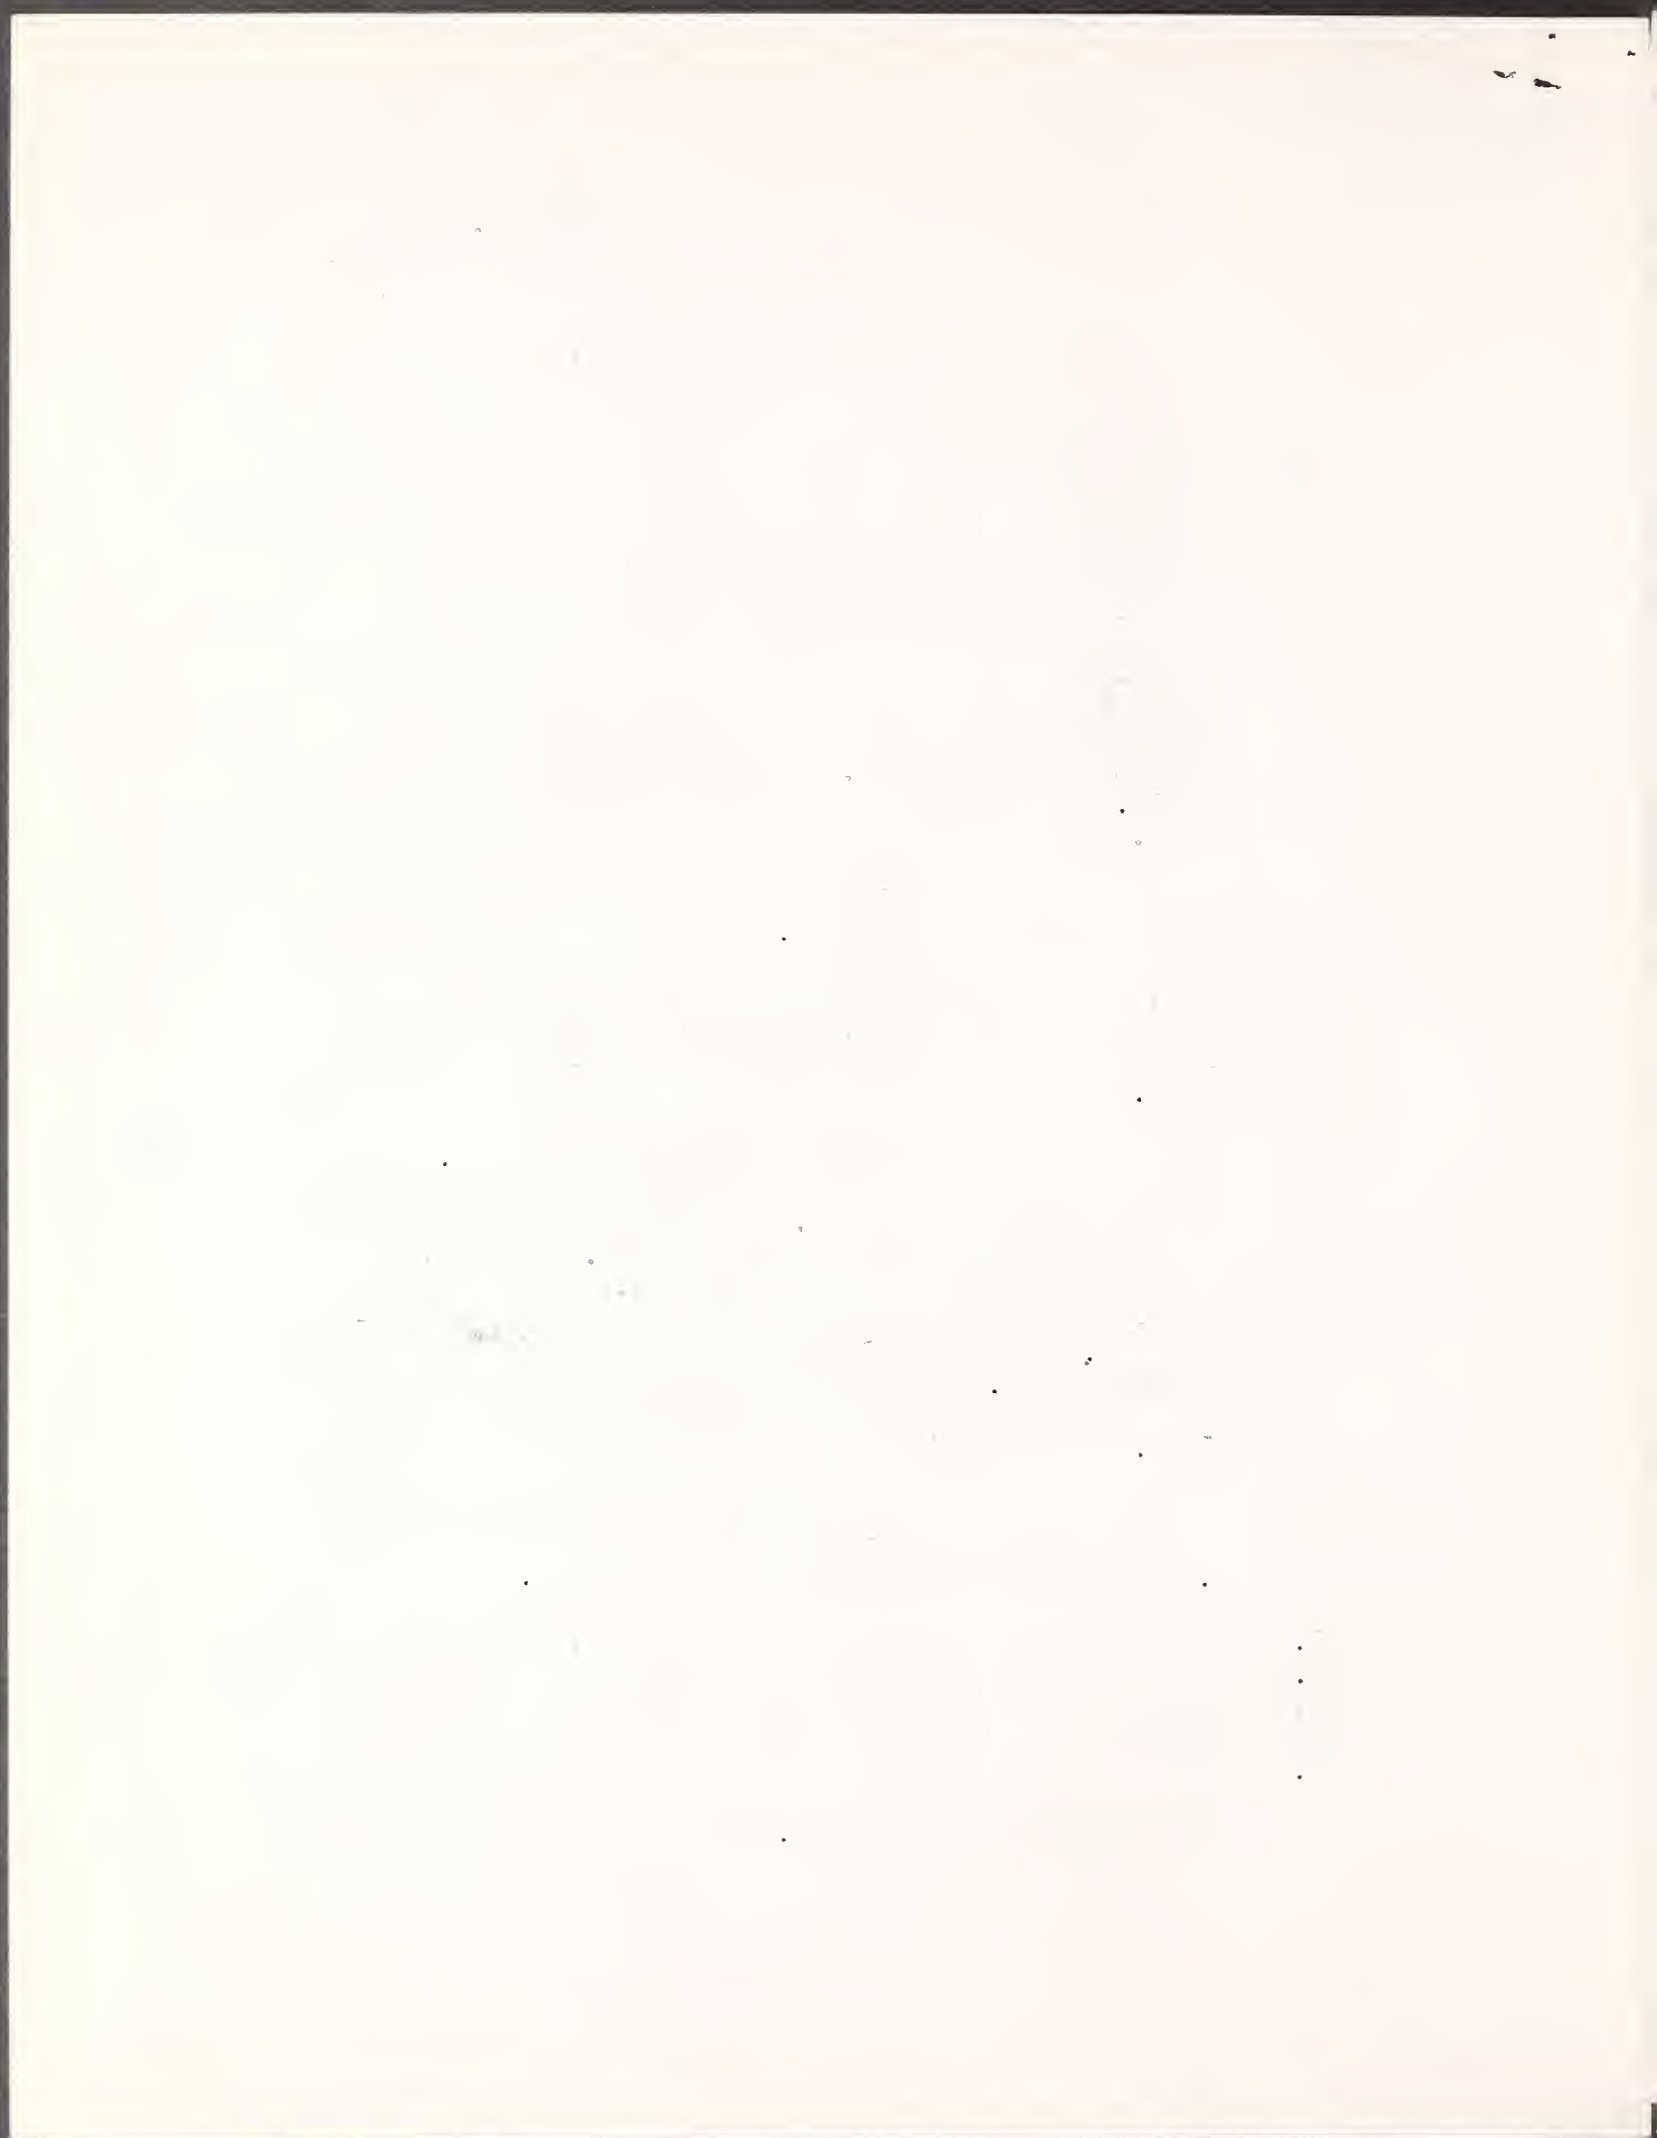

Thirdly, I am aware of an Alfred Hearn's born 1 Dec 1890 near Parham, Ontario who married Gertrude Wager of Wagerville Ontario. Five children were born of this marriage.

Dear Dr. Burleigh:

I am sure that you will be pleased (???) to receive this letter. Just four letters have come from this man Stitt, from Nebraska. One went to our postmaster, then one to Miss Hawley, our librarian and a third to Judge Smith. Now another has come to the postmaster. All of them have been shown to me; but the Judge answered his. I am writing also to Mr. Stitt and will send him the limited information we have in our archives. Another lady of the Detlor connection was at the museum this summer from Kansas City - she copied all references that I hunted up.

But of course we do not get family tree material to any extent at the museum - therefore I can send these letters on to you.

You will notice also a letter from a Mr. Swanson concerning the Cole, Bolton, Hearn and Page families. I have heard of Cole, and of course Hearn are common around here but do not have a very savoury reputation. I consulted the copy that Mr. Thomas Casey made of the old church records of Rev. Langhorn and Rev. MacDowell and others, and have typed off anything - I mean any references where the names mentioned were given.... mainly, Cole, Hearn, Detlor. Incidentally, at the same time, I kept running across a few items of my own family, some new names to me, but in the main, no new information.

It mentioned the marriage of a "Jones" Vanalstine - once before I came across a "Jonas", suppose it is one and the same man. Also, one son of Lambert and Annie Bell was listed "Jochum" baptized 1794 - my records give Jacob baptized 1794. Then I found a Lambert Vanalstine who married Margaret Maden (Madden?) - and a Peter Van who married Amanda Forshee in 1830 - there must have been a lot of Lamberts and Peters judging by the frequency they occur.

Mr. Stitt seems to have more information than I could ever hope to hunt up in our archives. But I shall leave it to you to give him some of your valuable information. The 25¢ will help with postage!

Yours truly,

Hazel L. Van Alstyne
